HIJAB FEST '26 SPONSORSHIP PACKAGE

On February 15, 2026, The Howard University Muslim Student Association will host our fifth annual HU Hijab Fest. We plan to have a robust program, including halaqah's entertainment, workshops, and a fashion show. We humbly ask that you consider being a sponsor for the annual Howard University Muslim Students Association Hijab Fest! All donations will go toward the HUMSA so we can provide an inclusive space for Muslim and Non-Muslim women to thrive, fellowship, network, and be unapologetically themselves!

We have compiled a list of sponsorship opportunities and each category's benefits. Your sponsorship will help provide needed funds to pay for speakers, decorations, food, entertainment, and other expenses for an event of this magnitude. We greatly appreciate your contributions and pray Allah (SWT) rewards you all for your kindness and generosity!

Best,
